

# Targeting Method of Putting I

# Targeting Method of Ball

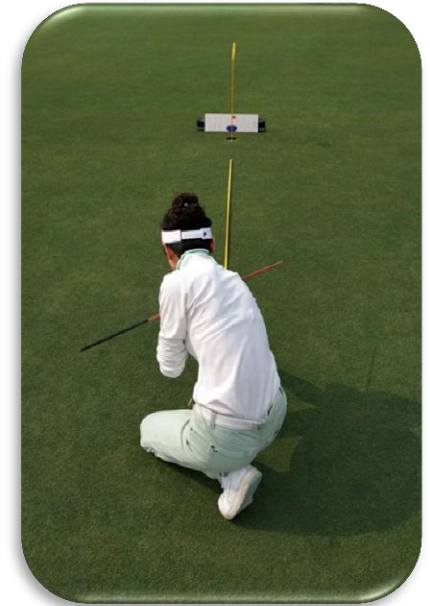

In Front of Ball

Behind Ball

In Front of Ball

Behind Ball

## Method I:

Shoulder line and target line  
are vertical with each other

## Method II:

Shoulder line and target line  
are inclined left or right with each other

\*Different people prefers different targeting method, need to test to find the suitable targeting method.

# Targeting Method of Club

Club surface and targeting line are vertical with each other

The position of player and the targeting line are square vertical with each other
