

## Club Managers Message

Dear Members,

Merry Christmas and Happy New Year and on behalf of all of us at Harbour Plaza Golf Club, I wish you a safe and joyous holiday season.

Our golf course continues to be in great shape and we are confident in maintaining these conditions through the winter thanks to our agronomic programs that Ron and Fan Guo Ping have put in place. We will continue to work to improve our tee boxes and bunkers. Winter is also our project season and you will see our annual tree trimming program beginning as well as repairing course drainage. You can see the result of these works with the quality of our turf continuing to improve year by year.

Please join us in congratulating our winners from the 2018 Club Championship with Mr. Li Guo Hua winning the Men's Championship, Ms. Mao Tao Rong winning the Women's Championship and Tsai Wen Ming coming out on top in our Senior Division. Former Champions participating in this year's event include Jeff Wang, Simon Fang, Roy Zhang and Wang Xiao Li.

We also played in a home and home event with Foshan Golf Club on November 9<sup>th</sup> in Foshan and back at HPGC on November 16<sup>th</sup>. Both teams played great golf on their home courses with HPGC winning over the two days. Thanks to General Manager Julian Small and everyone from Foshan Golf Club for their wonderful hospitality.

Please be aware that we will be increasing our monthly dues to 1100 RMB per month beginning January 1<sup>st</sup>, in order to keep up with the costs of maintaining our facilities. We appreciate your understanding and support.

Once again, on behalf of all of us at HPGC, we wish you a happy and safe holiday season and look forward to seeing you at the club.

With Best Regards

Tim
