

Club Managers Message

Dear Members,

Welcome to the Fall Edition of our E-Newsletter. We have many exciting new things to share with you.

We have made it through the summer heat and the heavy rains and are extremely pleased with the great weather to welcome many of our dear members home to Harbour Plaza from their summer travels.

We have had many members request to move our Club Championship Weekend earlier and we have made that accommodation. Our Club Championship will be October 26th and 27th, 2019. We have many great sponsors including our own Laguna Verona, T Golf Gear, HSBC, NU, Pro Simon, SouthPort, Cerebro, Number, China Moutai and Mou Lv Studio, and still many others to come. Our course will be in fantastic shape and that weekend promises to be one of competitive golf, wonderful friendship, great weather and even better food. Please join us and our 2019 Club Championship.

Our date for the Couples Club Championship is Saturday November 30th and we already have confirmed HSBC to be a great part of our event and are working on others. Please mark your calendars.

Please also mark your calendar for our next Interclub event with OCT Wind Valley in Shenzhen on December 6th and December 13th at HPGC.

Finally, this past September has been a remarkable month for Hole-In-Ones with 3 taking place in the month and 2 taking place within the same group in the same round. On September 1st, Mr. Kiang made a “1” on Hole #3 playing together with, Mr. Li Guo Hua (2018 Men’s Club Champion), Mr. Liang Yong An, Mr. Xu Zhao Hui. Not to be outdone, on the very next par 3, Mr. Li Guo Hua made his Hole in One on #6. In all my years in golf, this is the very first back to back Holes In One’s that I have ever encountered.

Also on September 20, our dear member, Mr. Ku Kuo Wen made his first Hole In One on Hole #24. Please join us all in congratulating our dear members on their great moments.
