

Practice Sessions to track your game in detail

The best way to help improve your game

Is your golf progressing?

Most golfers fail to consistently lower scores.

The fun and interesting way to improve

Track your stats with the help of a PGA Golf Professional.

	1	2	3	4	5	6	7	8
Putts	42	39	38					
Fairways	15%	21%	21%					
Gree	16%	11%	27%					
Scrambles	20%	27%	27%					
Sandssaves	0%	25%	50%					

Learn how to practice without changing your technique

Learn how to make short game interesting.

20 minutes putting practice per week can lead to 6 or more shots lower on your card.

Come and discover the key to better golf.

On the Greens

What are your % for the following: 3' / 4' / 5' putt?

What is your 5 ball average between 6' and 100'?

The Short Game

70% of all shots are taken from within 90 yards of the hole. Are you taking more than 54 shots per round from within this distance?

Come and visit for an introduction to supervised structured training and practice.
