Annual Cultural Practices Notice

Dear Members,

The annual heavy maintenance on our golf course will begin on May 27th. These works include coring and verticutting our greens, fairways and tee boxes and topdressing our greens and tee boxes. These processes are necessary to remove the accumulated thatch from these areas and encourage a strong root system that will produce very high quality turf grass throughout the year.

During this period, we will close 9 holes to complete these works within 5 days and will have 18 holes open for play. Please see our schedule below.

First Round	Second Round	Course Closed
May 27 - May 31	Jul 22 - Jul 26	Middle Nine Closed
Jun 03 - Jun 07	Jul 29 - Aug 02	Back Nine Closed
Jun 10 - Jun 14	Aug 05 - Aug 09	Front Nine Closed

After coring, it will take about two weeks to revert to a normal condition. We sincerely appreciate your patience and support during this short time. Please contact the club at 0769-8581 8080 to make your booking.
